

Topic: **Authority Board Agenda Item 5-2**

2018 Feb 26

Subject: **Risk Assessment**

Requested Action:

No action requested. Informational report.

Detailed Description/Background:

On February 6-7, 2018, the Ad Hoc Risk Management Work Group participated in a risk assessment that also included technical staff from partnering agencies and the project’s technical team. Most of the participants have worked on various large water infrastructure projects and have expertise in the various engineering and construction disciplines. This exchange enabled the project team to learn from their experiences. This information will be cataloged for future reference and use by the project team. And, it will aid in developing risk-adjusted cost and schedule plans.
