   b.  It is moved by Director Durst, seconded by Director Jones to approve the payment of Claims. Motion carried: All yes. Absent: TC 5 Districts.

It is moved by Director Sutton, seconded by Director Bransford to bring on an item that arose after the posting of the September 19, 2016 Agenda regarding authority to sign checks. Motion carried: All yes. Absent: TC 5 Districts.

Discussion is held regarding authority to sign checks.

Following discussion it is the consensus of those Directors present that, Directors Vann, Traynham and Bransford will be the authorized signers of Site Project Authority checks for payment of claims.

3.  RESERVOIR PROJECT AGREEMENT COMMITTEE:
Discussion is held regarding progress to expand membership, with no action taken.

   a.  Water Commission’s Draft Regulations:
Discussion is held regarding review of the commission’s Proposed Revision to Regulations, which was released on September 2 for formal public review. This comment period ends October 3 and is intended to be the last time for any substantive changes to
be considered by the Water Commission before they consider adopting the regulations on December 14. A 15-day final public comment period is planned to start after the November 15 Commission meeting. If the regulations are not adopted in December, it is unlikely the Water Commission could make an initial funding decision before the end of 2017. Discussion is held, with no action taken.

b. **Environmental Impact Report and Environmental Impact Statement (EIR/S):**
   Discussion is held regarding the need for the Authority to advance the DWR-prepared EIR/S for the WSIP application in a manner that it can also suffice for inclusion in Reclamation’s Feasibility Study. The key elements of the recommended approach and change in strategy are described in the attached White Paper. Discussion is held with, with no action taken.

5. **OUTREACH & ENGAGEMENT:**
   a. **Part 1 Deliverables:** Discussion is held regarding direction to JB Comm based on their update to the board regarding the status of various deliverables, including templates (letterhead, business card, fact sheet, presentation), website, and message platform (including process for finalizing).
   b. **Part 2 Implementation:** Discussion is held regarding the General Manager and JB Comm regarding issuance of a notice to proceed with Part 2 of JB Comm’s proposed scope of work. JB Comm will present an overview of these next steps that includes their recommended communications program. Discussion is held, with no action taken.

6. **LANDOWNER ENGAGEMENT:**
   Mr. Watson and Alternate Director Evans updates those Directors present on recent meetings held on September 13th and September 15th with landowners affected by the proposed reservoir and pipeline/facilities respectively.

7. **MANAGER’S REPORT:**
   Mr. Watson updates those members present on items of concern since the last meeting. He further informs the Directors of meetings/functions attended on behalf of Sites.

Chair Vann adjourned the meeting at 4:13 p.m. to reconvene in Regular Session on October 17, 2016 at the hour of 2:30 p.m.

Respectfully submitted
