

Topic: **Authority Board Agenda Item 6-5** **2019 October 21**

Subject: **CDFW 60-day Consultation**

Requested Action:

No action requested. Discussion and possible direction to staff regarding consultation discussion with the California Department of Fish and Wildlife.

Detailed Description/Background:

The Sites Project staff continue to work through items identified in CDFW's comment letter to the Draft Environmental Impact Report / Environmental Impact Statement. No additional Technical or Management Team meetings have been held since the September Reservoir Committee and Authority Board meetings. Two Executive Team meetings were held; one in late September and in mid-October.

The project team continues working to prepare a revised operations scenario along with a science, adaptive management and mitigation framework that would form the basis of upcoming permit applications.
