This time is set aside to allow the Chairperson an opportunity to disclose/discuss items related to the Sites Project.

Chairman Durst updated the Board Members regarding a meeting held between the Authority Members and staff to discuss conducting an organizational assessment/structure for the Sites team. He stated a contract for same would be brought before the Board at the next meeting for consideration.

3. CONSENT AGENDA:

Chairman Durst declared time to consider Consent Agenda Item numbers 3.1, a modification to the AECOM contract extending the period of performance and 3.2, a modification to the Spesert Consulting contract increasing the contractor's monthly fixed fee amount.

Director Marsh requested Consent Agenda item number 3.2, the Spesert Consulting contract be pulled from the Consent Agenda and considered separately. Chairman Durst so directed.

- 3.1 Chairman Durst declared time to consider Consent Agenda Item number 3.1, a modification to the AECOM contract to extend the period of performance from July 31, 2019 through December 31, 2019, with no change in cost and authorize the General Manager to sign. **(Attachment 3-1A)**

Consent Agenda Item Number 3.1: It was moved by Director Allen, seconded by Director McDaniel to approve Consent Agenda Item number. 3.1, a modification to the AECOM contract to extend the period of performance from July 31, 2019 through December 31, 2019, with no change in cost and authorized the General Manager to sign. Motion carried: All Directors present voted yes.

- 3.2 Chairman Durst declared time to consider Consent Agenda Item number 3.2, approval of a modification to the Spesert Consulting contract to increase the Contractor's monthly fixed fee payment amount to \$21,320.00. **(Attachment 3-2A)**

Director Marsh expressed concern regarding the increase to Mr. Spesert's Consulting contract and requested clarification for the increase.

Mr. Watson stated Mr. Spesert started work for the Project in 2016 and at that time the scope of services related to outreach and rights of way were significantly less. He stated the duties since 2016 have increased and the increase is warranted. He further stated that even with the increase Mr. Spesert's salary is still under market value.

Ms. Traynham and Chairman Durst stated the proposed increase to Mr. Spesert's contract was reviewed by the Authority's Ad Hoc Coordination Committee and by the Reservoir Committee. All unanimously agreed to the increase. Brief discussion followed.

Consent Agenda Item Number 3.2: It was moved by Director Dennis, seconded by Director Evans to approve a modification to the Spesert Consulting contract to increase the Contractor's monthly fixed fee payment amount to \$21,320.00 and authorized the General Manager to sign. Motion carried: All Directors present voted yes.

END OF CONSENT AGENDA

4. MANAGER'S REPORT:

- 4.1 Discussion and possible direction to staff regarding the General Manager's Monthly Status Report. **(Attachment 4-1A)**

Mr. Watson provided a review of project activities performed in the month of June 2019:

- Conducting AB52 Tribal Consultation/coordination with the Yocha Dehe Tribe.
- Presented to the Mountain Counties Water Resource Association's on California United Water conference which included urban agencies from Southern California and the Bay area, as well as some participation by elected officials both state and federal.

- Continued federal fishery agency coordination.

Brief discussion followed with no action taken.

4.2 Discussion and possible direction to staff regarding Proposition 1 WSIP application activities.

Mr. Watson provided a review of Proposition 1 WSIP application activities:

- Submitted a draft invoice to the Water Commission for work performed in January through April. Commission staff will review before finalized for payment.
- Developing a draft invoice for work performed in 2018.
- Working on a quarterly report to Water Commissioners for work performed April through June with the report due on July 31, 2019.
- Working with Santa Clara Valley Water District and Contra Costa Water District. Representatives from all three agencies met with the State Water Resources Control Board to discuss how the State Board is prepared to staff all the water right applications coming from the three projects that received early funding.
- June 6, 2019, tour with Water Commission staff and a follow-up tour is being scheduled to see the Red Bluff diversion.

Discussion followed with no action taken.

4.3 Discussion and possible direction to staff on ongoing U.S. Bureau of Reclamation activities and WIIN Act Funding.

Ms. Wolder informed the Board that Reclamation received a modified proposal from AECOM for additional feasibility level engineering work for just over \$1 million.

Mr. Watson provided a review of ongoing Reclamation activities and WIIN Act Funding:

- June quarterly meeting with Reclamation's Denver Tech Service Center where they agreed with the Fletcher option as the regulating reservoir between Funks and Sites pump generating and should be advanced to feasibility level, currently advanced the appraisal to determine the potential benefits to the project of using that facility.
- Reclamation agreed with Sites' conclusion in advancing it to feasibility which allows Sites to decide on whether to continue with the current Holthouse or go with Fletcher.
- Reclamation engineers agree that Fletcher provides significant benefits that can help reduce risk and costs on project. In working with them on non-contract costs
- Working with Reclamation on two issues as it relates to the feasibility report:
 - a. Construction de-watering costs.

b. Potential for sedimentation in maintenance to keep the intakes clear when diverting.

- Working with Reclamation on amending the 2015 cost share agreement because the Sites Project has significantly spent more and once that is amended we will start working on a financial assistance agreement.

Discussion followed with no action taken.

9:30 a.m. Director Sutton is now present and seated.
